

Employee Benefits Guide

1. Overview

This guide explains the employee benefits available to eligible full-time employees, including health insurance, retirement savings, wellness initiatives, and learning opportunities.

2. Health Insurance

Employees are enrolled in the company health insurance plan after completing the eligibility period. Coverage includes hospitalization, outpatient care, and preventive health services.

3. Dental and Vision

Dental and vision benefits are available through approved providers and may require employee contributions depending on the selected plan.

4. Retirement Plan

Eligible employees may participate in the company retirement savings plan with employer matching up to the defined annual limit.

5. Wellness Program

The company offers wellness initiatives including annual health screenings, mental health resources, fitness reimbursement, and employee assistance services.

6. Learning and Development

Employees receive an annual professional development budget for approved certifications, conferences, workshops, and online learning.

7. Flexible Benefits

Employees may choose optional benefit packages during the annual enrollment period.

8. Claims

Insurance claims should be submitted through the designated insurance portal with the required supporting documents.

9. Related Policies

Refer to the Employee Handbook, Company Leave Policy, and Health Insurance Guide for additional information.

10. Responsibilities

Employees are responsible for reviewing benefit eligibility, keeping dependent information current, and meeting enrollment deadlines.
